

2010 Athletic Training Educational Program

We have a new format for 2010. Presentations will be broken into content areas. Further, based on attendee requests – we have added a two-hour lab for review and demonstration of taping techniques of new products, casting/splinting principles, and other equipment review.

Administration	<ul style="list-style-type: none"> • Sickle Cell Screening – Implications for Exercise and Athletics
	<ul style="list-style-type: none"> • Drug Testing Issues and Challenges
	<ul style="list-style-type: none"> • AEDs – Role Within the Emergency Action Plan
	<ul style="list-style-type: none"> • Medications in the Training Room
